## California Naturalist Certification Program

The UC California Naturalist Program seeks to foster a committed corps of volunteer naturalists and citizen scientists trained and ready to take an active role in natural resource conservation, education, and restoration of California’s local ecology through science-based education and service. Join the Bolsa Chica Conservancy as we take you through California’s distinctive natural wonders with an emphasis on watershed, wetland, and coastal ecology through science curriculum, guest lectures, field trips, and project-based learning!

### Schedule:

Weekly from January 13, 2021 to March 20, 2021

### Program Cost:

\$350/participant
