Summer Wetlands Explorers Program

Exciting discoveries and new friends await your budding, young scientist this summer at the Bolsa Chica Wetlands! Join the Bolsa Chica Conservancy for a week-long, hands-on day program that explores the wonders of your local wetlands. Your young scientist will delight in the interactive, science-based activities and experiments that stimulate wonder and critical thinking at the same time! Children from Kindergarten to 7th grade can experience the wetlands inside and out in a fun and educational week full of adventure.
