

YLEAP

Youth Leadership in Environmental Action Program

The next generation of environmental leaders!

The Youth Leadership in Environmental Action Program (YLEAP) is a twelve-month program for 8th to 12th grade students. This unique experience provides local youth the opportunity to learn about wetland ecology and gain important life skills like public speaking, leadership, teamwork, and habitat restoration.

Program Commitment

Orientation:

Monday, August 1st to Thursday, August 4th (9:00am-4:00pm)
