

# BOLSA CHICA CONSERVANCY

Educate • Restore • Inspire

## APRIL IS **EARTH MONTH!** DID YOU KNOW?

- Earth Day was founded in 1970 by Senator Gaylord Nelson.
- The founding of Earth Day helped inspire the creation of the EPA, as well as the Clean Air, Clean Water, and Endangered Species acts.
- Earth Day went global in 1990, and is celebrated by 1 **BILLION** people worldwide.
- Earth Day has inspired global movements, and driven people to care for the environment around them.
