

Title: Eyes on Nest Sites (EONS) Intern

Reports To: Jeannette Bush

Duties and Responsibilities:

- Participate in a weekly 2-hour nest site monitoring shift as part of the Eyes on Nest Sites program.
- Data entry and analysis.
- Assist with training new volunteers.
- Manage program-specific social media content.
- Assist with other Conservancy operations and events as needed, including but not limited to:
 - Leading services events.
 - Attending outreach events.
 - Assisting with larger events such as annual fundraising events (Barefoot Ball, 4th of July Brunch, etc.), Coastal Cleanup Day, and the Earth Day Festival.
- Participate in cross training, team building, and staff meetings.
- Perform tasks as necessary and assigned.
- Attendance is flexible depending on intern's schedule and extenuating circumstances. Frequent and/or uncommunicated absences may result in termination of the internship.

Position Requirements

- Proficiency in Microsoft Excel.
- Basic knowledge of bird identification and behavior.
- B.A. or B.S. in Natural Sciences, Education, or related field of study; or enrollment at a Junior College or University in Natural Sciences, Education, or related field of study
- A minimum of **150 hours** is required to complete the internship. Longer term internships are available as well.
